

send_signal_to_worker

```
graph LR; A[send_signal_to_worker] --> B[log_event]
```

A flow diagram consisting of two rectangular boxes connected by a horizontal blue arrow. The left box is filled with a dark gray color and contains the text 'send_signal_to_worker'. The right box is white with a black border and contains the text 'log_event'. The blue arrow points from the right side of the first box to the left side of the second box.

log_event
